# Enhancing Boardroom Dynamics: Changing perspectives

"

We don't think AI will replace boards or board members anytime soon, but the boards and board members who use AI effectively will surely race ahead of those who ignore the opportunity

## Al as a Director

### Al's Role

### **Illuminate Hidden Insights**

Identify potential blind spots, biases, and unseen risks.

### **Challenge Established Thinking**

Provide alternative viewpoints to break conventional patterns and prompt fresh perspectives.

#### **Model Unintended Consequences**

Simulate possible ripple effects and forecast long-term outcomes for better-informed decisions.

### **Neutralise Personal Bias**

Offer an objective, data-driven approach that complements human judgement and reduces bias.

### **Your Role**

### **Contextualise Insights**

Apply Al findings within the unique context of your industry and strategic priorities.

### **Align with Strategic Goals**

Ensure AI-generated insights align with your organisation's financial and strategic goals.

### **Interpret and Decide**

Review AI recommendations, integrating human intuition and experience to make final decisions.

### **Balance Perspectives**

Leverage Al's objectivity to balance human values, experience, and stakeholder expectations.

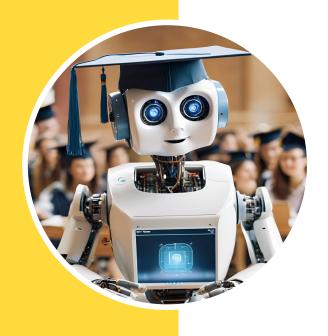

# Treat Al like a high performing graduate

Your hyper intelligent newly hired assistant

- More input creates more outputuse multiple prompts to trainit!
- It needs constant review and feedback.
- → It's not consistent.
- It may hallucinate and make mistakes

**Leveraging Al** 

# Powered Tools in Your Everyday Work

Serves as a versatile writing assistant that can draft emails, create presentations, summarise documents, answer questions, and generate creative content across various formats.

### ightarrow Gamma

Simplifies presentation creation with AI; input your ideas and Gamma designs visually appealing slides, incorporating text, images, and data visualisations

### Notebook LM

Acts as a research assistant, allowing you to upload your files and then ask questions, receive summaries and even generate creative content – all based on your own data.

### Perplexity

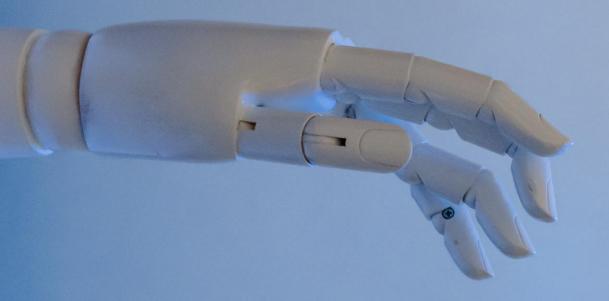

Perplexity is an Al-powered Swiss Army knife for information discovery and curiosity. It's not just about answering questions; it's about empowering you to do more- but beware of the rabbit hole...!
